

Northfield ESP

ENRICHMENT CLASSES 2019

"BE SOMEBODY WHO MAKES EVERYBODY FEEL LIKE A SOMEBODY."
-KID PRESIDENT

How to register for classes:

1. Log on to the parent portal on EZ Child Track
www.ezchildtrack.com/esp/parent
2. Click "enroll" under 2019-20 ESP School Year Program
3. Click "enroll" (right side) under the box with enrichment classes
4. Choose an enrichment class (1st - 6th ONLY)!

Pre-K & Kindergarten

PRE-K & KINDERGARTEN WILL NOT BE REGISTERING FOR ENRICHMENT CLASSES.

WE HAVE A SPECIALIZED ENRICHMENT SCHEDULE SPECIFICALLY CREATED FOR THEIR GROUPS.

BELOW YOU WILL FIND DETAILS OF THE DIFFERENT CLASSES THEY WILL BE EXPERIENCING THIS SEMESTER.

Monday: Wiggle Mania

This curriculum will be based off of different Physical Education strategies. Students will get to experience team games, individual races, team building skills and much more. Students will gain new skills in these areas through getting to try out soccer, bowling, t-ball, relay races, basketball and field day games.

Tuesday: Story Time

This curriculum will be created from ELA being learned in the classroom. Students will work on beginning skills in writing, reading and comprehension. We will read stories, write stories, design graphics for our stories while work on site words and letter sounds.

Wednesday: Weird Science

This curriculum will be hands on and extremely exciting. We will be learning about different experiments every week. Students will get to learn about the scientific method and put their skills into action.

Thursday: Numbers, Numbers EVERYWHERE!

This class will revolve around all things numbers. We will start from the beginning and make it fun! We will learn how to write numbers in shaving cream, how to group numbers with food and much more.

Friday: Make It! Take It!

This class will be so much fun. We will be making food, art, decorations plus anything and everything else! Everything we make will be sent home with students.

1st & 2nd Grade

PLEASE CHOOSE A CLASS FOR EACH DAY (MONDAY-FRIDAY)
FOR BOTH THE FIRST AND SECOND QUARTER OF THE YEAR.

Monday

Maker Space

Spend time tinkering, making light bulbs glow, mini engines run and more. This class will allow you to think outside the box and bring the ordinary to life.

Bowling & Gym Games

In this class we will learn how to bowl and play new gym games. We will bowl one day and play castle ball the next. This class will be one that we focus on team work and team spirit.

Mystery Science

Come join us as we adventure into the crazy wide world of science. We will be making slime, exploding water bottles, oozing volcano's and so much more.

Tuesday

Soccer Club

Come join our soccer club as we work on our soccer skills. From the basics to making plays we will cover it all.

Lego Creations

LEGO's are all the rage and we are taking it to the next level. We we will building our own sets and designing LEGO movies. Join us as we take on the adventure of LEGO's and beyond!

Choir

Join the Young Knights Choir! We will be learning songs and singing loud for all to hear.

1st & 2nd Grade

Wednesday

Editable Education

If you like to cook or want to learn more about cooking this class is for you. Come join us as we cook yummy food created from scratch.

DIY Projects

Have you ever wanted to create your own earrings, build a bird house or take scraps to build a monster?

If so you will love this class. We will be exploring the world of Do It Yourself!

Table Top Sports

From ping pong to table football this class will cover it all. Jump in on the fun that can happen with an open table and an imagination.

Thursday

Basketball

Jump shots, free throws and around the world. We are going to work on our skills and bring everything we got to the court.

Art Hub

If you have ever have had a desire to learn cartoon drawing or want to master your current skills, this class is for you! We will be creating and drawing all the art things.

Garden, Garden Everywhere!

We will be "digging" deep as we explore the world of a garden. Studnets will get to plant seeds, grow and harvest as we learn what it takes to grow our own plants.

Friday

Bucket List Challenge

Join us as we take on the best bucket list of activities ever to hit Northfield. We create, find and take on many adventures.

Cheerleading

Cheering Cheering is so fun when we bring in everyone! Jump on in to the Little Mustangs Cheer Squad. We will learn cheers and pep along the way.

Pokemon

If you love Pokemon you will love this class. We will design, create and play with our own Pokemon cards.

Studnets cannot bring Pokemon cards from home.

3rd & 4th Grade

PLEASE CHOOSE A CLASS FOR EACH DAY (MONDAY-FRIDAY)
FOR BOTH THE FIRST AND SECOND QUARTER OF THE YEAR.

Monday

Bucketlist Challenge

Come join us as we make our way through the most epic bucket list you have ever seen. This class will be one for the books as we make memories of a lifetime.

Built IT!

If you love being active and learning new skills you will love this class. This class will build different projects to showcase around the school.

Table Top Sports

From ping pong to table football this class will cover it all. Jump in on the fun that can happen with an open table and an imagination.

Tuesday

Editable Education

If you like to cook or want to learn more about cooking this class is for you. Come join us as we cook yummy food created from scratch.

Duck Tape Engineering

Creating masterpieces can be amazing as you make them. Especially when you make them out of duck tape. Join us as we create sculptures and unique pieces of art out of duck tape!

Mystery Science

Come join us as we adventure into the crazy wide world of science. We will be making slime, exploding water bottles, oozing volcanoes and so much more.

Wednesday

Mask Makers

Jump in as we make different masks from different countries, traditions and more.

Hot Glue Masterpieces

We will be creating masterpieces of all kinds while using hot glue. This class will teach hot glue safety before we begin creating our projects.

Crayon Creations

With old burnt out crayons we will make new creations. We will melt, mold, break, stomp, sharpen and make old things new again.

Thursday

LEGO Robotics

Through iPads and LEGO engineering we will be building our own robots. This class is for anyone who is into robotics!

Cardboard Challenge

Cardboard and an arcade. Is it possible to make the two happen as one? YES IT IS! In this class we will be researching, designing and building an arcade out of cardboard.

Garden, Garden Everywhere!

We will be "digging" deep as we explore the world of a garden. Students will get to plant seeds, grow and harvest as we learn what it takes to grow our own plants.

Friday

Flag Football

TOUCHDOWN KNIGHTS! Come join us as we run plays, work on sprints, punt and more. This class will cover all things football!

Gym Games

From castle ball to star wars we will be covering them all! Join us as we play hard in the gym and build each other up through team work.

Art Hub

If you have ever have had a desire to learn cartoon drawing or want to master your current skills, this class is for you! We will be creating and drawing all the art things.

5th & 6th grade

5TH & 6TH GRADE STUDENTS WILL ONLY NEED TO SIGN UP FOR A TUESDAY, WEDNESDAY & FRIDAY CLASS.

Monday

Mass Media Monday

This class is specifically designed to allow the 5th & 6th graders to build their own mass media label. We will have a different task each Monday. We will be rotating through vlogging, podcasting, yearbook and movie trailers.

Tuesday
