

# SPRING 2019 ENRICHMENTS

## K-2 GRADE

### Monday

**\* Maker Space/Tinkering – INVENT, DESIGN and TINKER with Makerspace in ESP! Friends of all ages love to get creative with hands-on activities and challenges.**

**\* Bowling/Baseball- 3 strikes...3 outs...Good things come in 3! This spring, this class will be split and you're your child will learn the basics of both bowling and baseball/softball. This class also offers a bowling league for an additional fee.**

**\* Tutoring/iReady/Lexia-Your child will get one-on-one instruction from one of our future educators. Once they are done with homework or projects, they can get ahead in math and reading by logging into iReady & Lexia. This class has a 15 person maximum.**

**\* Girl World-Join this class for all things girly! Make-up, manners, and girly crafts... this is where it's at!**

Add your own text

**\* Mad Scientists- Ms. Zoe is a science guru and she cannot wait to bring her love of science to ESP. Your child will not only do weekly experiments but learn the hows and whys to each one! This class is bound to be explosive!!**

### Tuesday

**\* Math Madness- In this class, kids will play math based games to keep their skills sharp! Games like Shut the Box will keep your child's brain working even after the school day is through.**

**\* Crafternoon- Let your child come explore their artistic side in this class. They will form, paint, and create their afternoon away. All supplies are provided. Just add color!**

**\* Basketball/Volleyball- Learn about screens and spikes, assists and sets! Half of this class will be learning the fundamentals of basketball while the other half will be volleyball. Either way, your child will burn some energy!**

# SPRING 2019 ENRICHMENTS

**\* Edible Education-** We will use everyday kitchen equipment mixed with a lot of fun and a passion for food. All recipes will be "no-bake" type of recipes for the safety of our younger chefs.

**\* Yoga-** Sometimes, school is stressful. Your child can relax and unwind by stretching their bodies while clearing their minds. This class is back by popular demand. No yoga mat needed for this class. Namaste'.

## Wednesday

**Quirkles-** Have fun with this class that combines literature and science. It won't seem like learning when they're having this much fun!

**\* Tutoring/iReady/Lexia-** Your child will get one-on-one instruction from one of our future educators. Once they are done with homework or projects, they can get ahead in math and reading by logging into iReady & Lexia. This class has a 15 person maximum.

**\* Soccer-** Students will learn the fundamentals of the game as well as team building and cooperative skills that will last a lifetime. Because we will be bringing in certified coaches to oversee this class, there is a \$25 fee associated with the class.

**\* Bowling/Baseball-** 3 strikes...3 outs...Good things come in 3! This spring, this class will be split and you're your child will learn the basics of both bowling and baseball/softball. This class also offers a bowling league for an additional fee.

**\* Farm 2 School-** Ms. Abbey T. has an extensive knowledge of all things farming. She will work in conjunction with our Farm 2 School liason, Ms. Veronika to teach your child how to grow their own gardens. We will be using the Farm 2 School Greenhouse for hands-on experience.

# SPRING 2019 ENRICHMENTS

## Thursday

**Girl Scouts- Learn the Girl Scout way while earning badges. Whether it is first aid or helping others, your child will learn what it means to be a scout! This class will meet once a week.**

**\* Maker Space/Tinkering- INVENT, DESIGN and TINKER with Makerspace in ESP! Friends of all ages love to get creative with hands-on activities and challenges.**

**\* PE Fitness/Gym Games- Whether it is an aerobics class, Ships and Sailors, or relay races, your child will play the afternoon away in this class. They will get all that energy out before they come home! Expect your child to be tired!!!**

**\* Edible Education- We will use everyday kitchen equipment mixed with a lot of fun and a passion for food. All recipes will be "no-bake" type of recipes for the safety of our younger chefs.**

**\* Yoga-Sometimes school is stressful. Your child can relax and unwind by stretching their bodies while clearing their minds. This class is back by popular demand. No yoga mat needed for this class. Namaste'.**

## Friday

**Quirkles- Have fun with this class that combines literature and science. It won't seem like learning when they're having this much fun!**

**Book Club-Dive into a good book with group reads, literacy circles, and other fun ways to enhance reading as well as your child's love of books. Students will be reading "Where the Red Fern Grows".**

# SPRING 2019 ENRICHMENTS

## 3rd-6th Grade

### Monday

**\* Movie Maker-** Enjoy making films with the iMovie application using iPads. Students will learn to write scripts, film, edit film, etc. Students will get to submit their films into our ESP film festival that will take place towards the end of the school year!

**\* Yoga-** Sometimes school is stressful. Your child can relax and unwind by stretching their bodies while clearing their minds. This class is back by popular demand. No yoga mat needed for this class. Namaste'.

**\* Math Madness-** In this class, you will learn how much fun numbers really are! This class will be full of games that will sharpen your mathematical skills!

**\* Basketball/Volleyball-** In this class, you will learn the basics of both basketball and volleyball. Free throws, blocks, screens, and spikes...learn it all here!

**\* Crafternoon-** Let your child come explore their artistic side in this class. They will form, paint, and create their afternoon away. All supplies are provided. Just add color!

### Tuesday

**\* Bowling/Baseball-** 3 strikes...3 outs...Good things come in 3! This spring, this class will be split and you're your child will learn the basics of both bowling and baseball/softball. This class also offers a bowling league for an additional fee.

**\* Maker Space/Tinkering-** INVENT, DESIGN and TINKER with Makerspace in ESP! Friends of all ages love to get creative with hands-on activities and challenges.

**\* Girl World-** Join this class for all things girly! Make-up, manners, and girly crafts...this is where it's at!

**\* PE/Fitness/Gym Games-** Whether it is an aerobics class, Ships and Sailors, or relay races, your child will play the afternoon away in this class. They will get all that energy out before they come home! Expect your child to be tired!!!

**\* Tutoring/iReady/Lexia-** If your child is needing a little extra help in the classroom, this is where they need to be! This is THE ONLY CLASS that your child can do twice in one week!

# SPRING 2019 ENRICHMENTS

## Wednesday

- \* Maker Space- INVENT, DESIGN and TINKER with Makerspace in ESP! Friends of all ages love to get creative with hands-on activities and challenges.**
- \* Basketball/Volleyball- Learn about screens and spikes, assists and sets! Half of this class will be learning the fundamentals of basketball while the other half will be volleyball. Either way, your child will burn some energy!**
- \* Girl Scouts- Learn the Girl Scout way while earning badges. Whether is first aid or helping others, your child will learn what it means to be a scout! This class will meet once a week.**
- \* Yoga-Sometimes school is stressful. Your child can relax and unwind by stretching their bodies while clearing their minds. This class is back by popular demand. No yoga mat needed for this class. Namaste'.**
- \* Sign Language – Back by popular demand!!! Last year we introduced this class and the kids LOVED it! So many learned how to communicate with those in our school who are hearing impaired. Your child will learn things like the alphabet, common words, and even the Pledge of Allegiance.**

## Thursday

**Soccer- Students will learn the fundamentals of the game as well as team building and cooperative skills that will last a lifetime. Because we will be bringing in certified coaches to oversee this class, there is a \$25 fee associated with the class.**

**PE/Fitness/Gym Games- Whether it is an aerobics class, Ships and Sailors, or relay races, your child will play the afternoon away in this class. They will get all that energy out before they come home! Expect your child to be tired!!!**

**Tutoring/iReady/Lexia- Your child will get one-on-one instruction from one of our future educators. Once they are done with homework or projects, they can get ahead in math and reading by logging into iReady & Lexia. This class has a 15 person maximum.**

# SPRING 2019 ENRICHMENTS

**\* Book Club-** Dive into a good book with group reads, literacy circles, and other fun ways to enhance reading as well as your child's love of books. Students will be reading "Where the Red Fern Grows"

**\* Edible Education-** We will use everyday kitchen equipment mixed with a lot of fun and a passion for eating what is good for us to introduce students to fresh, home-cooked food.

**\*Due to the amount of fresh food products used in this class, there is a \$25 fee.**

## Friday

**\* Flag Football-** A growing alternative to the full contact sport, flag football teaches basic skills and concepts of the game without the physical dangers that sometimes come with full contact. Your child will learn to run routes, speed skills, and other gross motor skills talents that will follow them for years to come.

**\* Duct Tape Engineers-** Duct Tape Engineers will help youth to be innovators through engineer projects using duct tape! Awesome class to encourage creativity and problem-solving.

**\* Teacher's Aide-** If enrolled in this class, your child can spend their Fridays as a teacher's assistant. They can help the younger kiddos with their ESP projects. They will be overseen by an ESP staff and taught about teacher expectations. This is a behavior based class. Your child must maintain good behavior during the week to participate on Friday.

**\* Edible Education-** We will use everyday kitchen equipment mixed with a lot of fun and a passion for eating what is good for us to introduce students to fresh, home-cooked food.

**\*Due to the amount of fresh food products used in this class, there is a \$25 fee.**

**\* Mad Scientists-** Ms. Zoe is a science guru and she cannot wait to bring her love of science to ESP. Your child will not only do weekly experiments but learn the hows and whys to each one! This class is bound to be explosive!!!
