

MITCHELL-NEILSON SCHOOLS ESP

Spring Enrichment Brochure

Registration January 7-11
Enrichments Begin January 14
Enrichments End May 17

MONDAY CLASSES

YARNS, CORDS, AND STRINGS

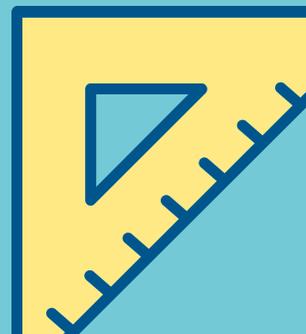

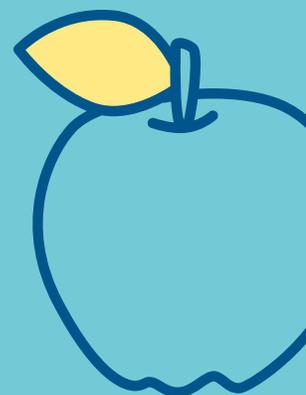

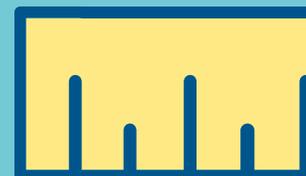

Learn to stitch, and knit in a class that will be SEW much fun.

SOCCER

GOAL! Come join us in learning new soccer techniques and skills while enjoying working well with a team!

KIDS CAN COOK

Learn to cook with us! We will use everyday kitchen equipment mixed with a lot of fun. Encouraging a passion for eating what is good for us to introduce students to fresh, home-cooked food. This class will cost \$30 a semester, but, may be split in two \$15 payments. This is due to the cost of food & supplies needed for the class.

PRIMARY ENRICHMENTS 2019 (K&1ST)

TUESDAY CLASSES

BOWLING LEAGUE

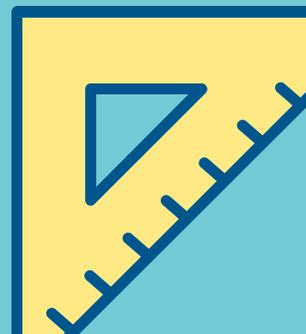

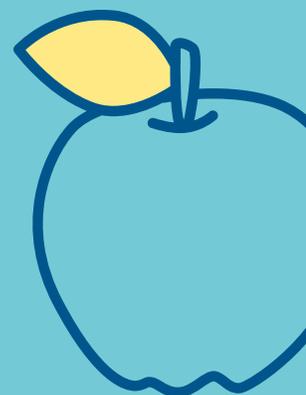

Let's work on your skills and master the technique to knock all pins down! Become a professional bowler in no time!

QUIRKLES

Do you like science experiments? Then come and meet 26 imaginary scientists who will help you explore and test science concepts after school

SPANISH

Learn the basics of a vibrant language and the cultures of Spanish speaking countries.

WEDNESDAY CLASSES

MATH MADNESS

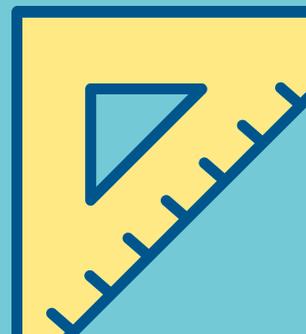

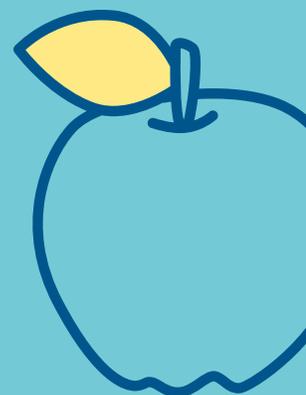

If numbers are your thing, or you need extra practice, Math Madness is the best way to finish your day!

ZUMBA

We are thrilled to offer a class for those who love to dance. Come get active with us in afternoon Zumba!

MIXED MEDIA ART

Can't decide if you'd rather paint, draw, or sculpt? Or, if you'd rather use paper, cardboard, or even duct tape? Come to Mixed Media where you get to do all of the above and have fun making out of the box creations!

THURSDAY CLASSES

MAKERS SPACE

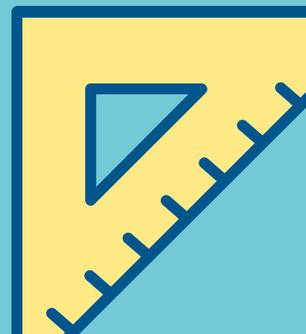

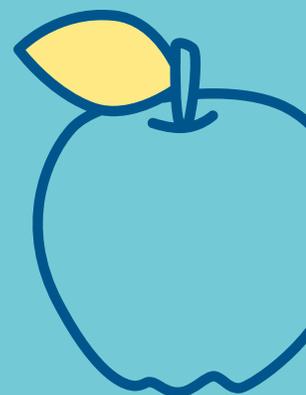

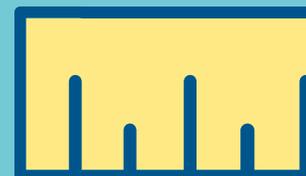

Provide hands on creative ways to encourage students to design, experiment, build, and invent as they engage in science, engineering, and tinkering.

ZOOLOGY

Answer the call of the wild in Zoology! Learn about animals from around the world along with how to care for them.

BASKETBALL

Want to learn to dribble, pass, and shoot? Then this is the place for you. Work on learning the fundamentals of basketball in this slam dunk of a class!

FRIDAY CLASSES

CODING

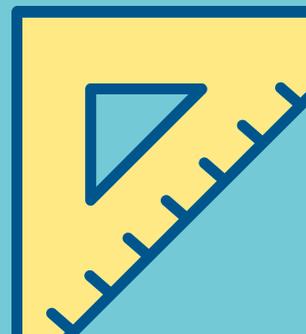

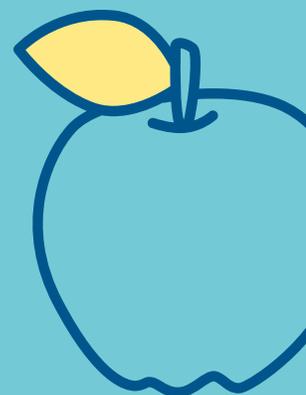

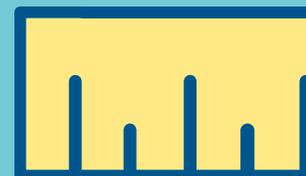

Experts estimate that there will be one million coding jobs available by 2020. Code.org wants to change that by not only exposing students to the fundamentals of computer science, while teaching them how to do it.

GIRL SCOUTS

Strong. Confident. Compassionate. Every girl has the potential to grow into all of these things and more. Girl Scouts will give opportunities to master talents, find awesome new skills, and have fun interacting with a group of girls that together can change the world!

OLYMPICS

Join us as we team build, challenge ourselves, and get our wiggles out. This is an ESP favorite!

MONDAY CLASSES

TRAVEL THE WORLD

Get set to travel as we learn about different countries and cultures around the world.

BASKETBALL

Want to learn to dribble, pass, and shoot? Then this is the place for you. Work on learning the fundamentals of basketball in this slam dunk of a class!

ARCHERY

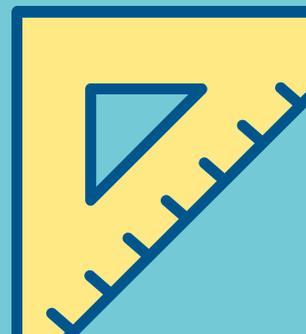

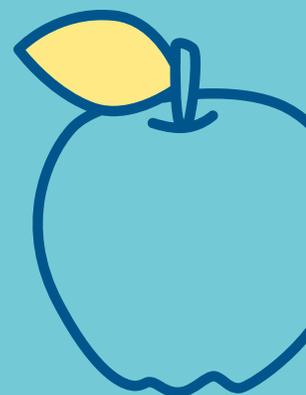

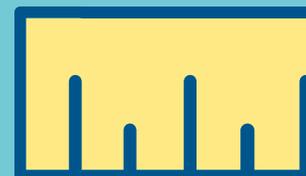

Ready. Aim. FIRE! Get your bows and arrows ready to become as sharp of a shooter as Katniss Everdeen. Students will learn the various techniques needed to properly shoot an arrow.

ART

Express yourself in this art class. We will learn about famous artists and become artists ourselves.

GIRL SCOUTS

Strong. Confident. Compassionate. Every girl has the potential to grow into all of these things and more. Girl Scouts will give opportunities to master talents, find awesome new skills, and have fun interacting with a group of girls that together can change the world!

TUESDAY CLASSES

CROSS STITCHING

Come sew with us as we learn how to use different stitching techniques to create cool masterpieces!

STEP

One ESP favorite! Students will learn how to step with a team and move, stomp, and dance with each other.

SOCCER

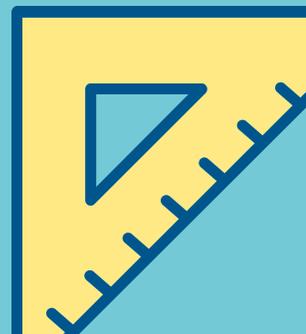

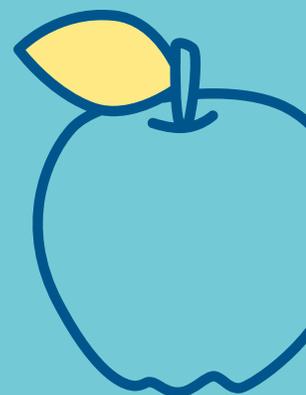

GOAL! Come join us in learning new soccer techniques while enjoying working well with a team.

DUCT TAPE ENGINEERS

BIG. BIGGER. EPIC. Join us in creating our own items out of ONLY duct tape. We will start with small things and move to class projects together!

LEGO MOVIE MAKER

LIGHTS, CAMERA, ACTION! These students will be given a movie scene, and they will create it with only Legos. Join us in being creative together!

WEDNESDAY CLASSES

CHEERLEADING

GO TEAM! Enjoy learning chants, band dances, stunts, and routines in Cheerleading class. This class will help you become a leader and a teammate.

ESP GOVERNMENT

ESP Government will plan events, help students, and be leaders of ESP.
