MONDAY

QUIRKLES

Do you like science experiments? Come and meet 26 imaginary scientists who will help you explore and test science concepts after school!

SOCCER

We are partnered with Murfreesboro Soccer Club, and we get to spend time with one of their coaches! Come and improve your soccer skills and test your teamwork abilities! ***\$25.00 per semester**

SPRING ART

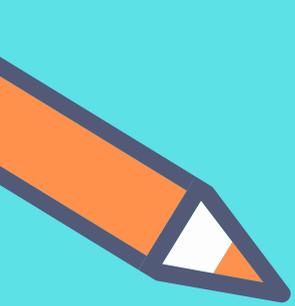

Do you enjoy expressing your creativity through art? Then come and join us after school and learn different art styles that will be showcased at the end of the year!

VOLLEYBALL

Come and improve your volleyball skills and test your teamwork abilities! This is a great way to learn a new sport and master new skills.

MONDAY

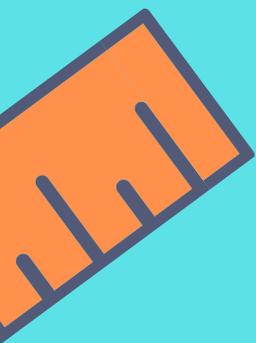

CODING

Do you enjoy working on the iPad? This is a class where you learn basic coding formats so that you can then be the engineer of your own game!

ANATOMY ACADEMY

This is a science based class where you can join us to talk about the different parts and processes of the body, through some exciting experiments!

MINUTE TO WIN IT

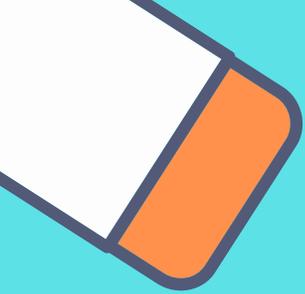

Well this is the perfect class for fast-paced and friendly competition! You can practice problem-solving skills as you work through tasks in a minute or less!

PEN PALS

Do you enjoy making new friends? In this class you will get to write letters and make new friends throughout the school!

MONDAY

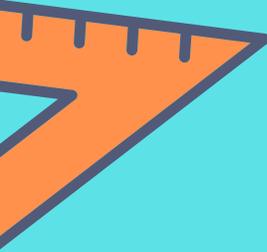

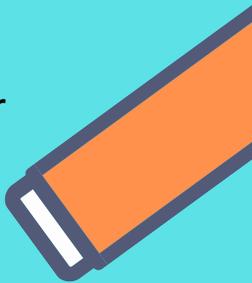

DUCT TAPE ENGINEERS

Are you always creating new things with anything you can find? If so, you'll do great in our class where you will get to create tons of things using, wait for it... DUCT TAPE!!!

PEER GROUP (GIRLS)

If you are looking for a place to find creative ways to solve problems, this is the group for you. This is an all girls group dedicated to creating a positive environment for students to make sure their voice is heard.

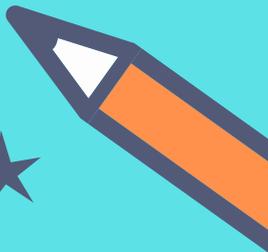

FOOTBALL

Are you excited to test your football skills? This is the class for you! Come and improve your football skills and test your teamwork abilities!

TUTORING

This is a great way to get extra help with homework and sharpen skills currently taught in class from a Scales certified teacher.
\$60 per 9 weeks.

MONDAY

BOOK WORMS

Are you all reading a good book that you just can't put down? Then this is the class for you, where you will get to explore your own books and get a little taste of several different new genres.

COLORGUARD

Scales ESP is excited to offer this brand new class! This is your chance to combine, music, dance, and flag spinning all together! We will perform at the end of the semester.

CREATIVE WRITING

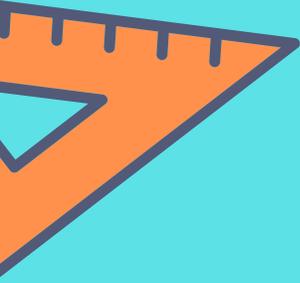

Do you love having the chance to create your own stories and poems? In creative writing, we work on improving your writing skills and showing off your creativity!

PIANO LESSONS

We are thrilled to offer piano lessons again this semester! Sessions are \$7.50 per session if you split the session with another child. If you would like your child to have their own lesson, you can pay the full \$15.00 per session!

TUESDAY

MAKERSPACE

INVENT, DESIGN
and TINKER
with Makerspace in
ESP! Friends of all
ages love to get
creative with hands-
on activities and
challenges.

ARCHAEOLOGY

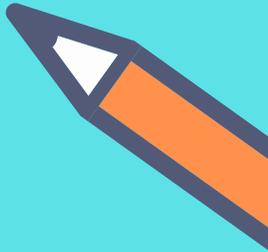

Do you love digging in
the dirt and
uncovering hidden
treasures? This is the
class for you, where
you will get to test
your discovery skills
everyday!

MATH MANIA

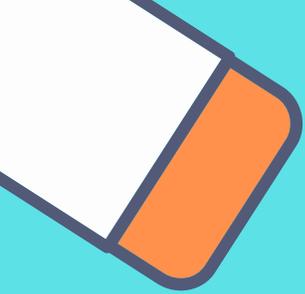

Do you have mad
math skills? Then
come and work on
refining those skills as
you participate in
exciting math-filled
activities!

YOGA MASTERS

Calling all yoga
fanatics! Here, you can
find your zen after a
long day of school. You
will practice breathing
techniques and various
poses. Before you
know it, you'll be a
yoga master!

TUESDAY

PEN PALS

Do you enjoy making new friends? In this class you will get to write letters and make new friends throughout the school!

FOOTBALL

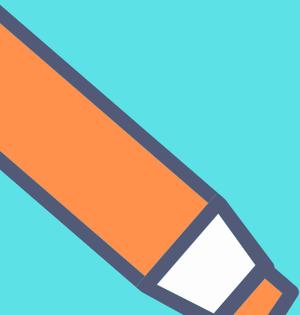

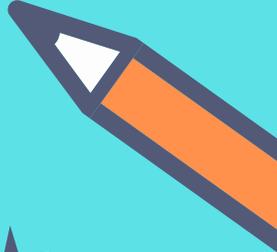

Are you excited to test your football skills? Then this is the class for you! Come and improve your football skills and test your teamwork abilities!

EDIBLE EDUCATION

We will use everyday kitchen equipment mixed with a lot of fun and a passion for eating what is good for us (without being all “organic-y” or health-nuts about food) to introduce students to fresh, home-cooked food.

3rd-6th will be charged \$15.00 for the semester.

TUESDAY

BASKETBALL

Are you excited to test your basketball skills? Then this is the class for you! Come and improve your basketball skills, test your teamwork, and get ready for our upcoming basketball tournament.

CODING

Do you enjoy working on the iPad? This is a class where you learn basic coding formats so that you can then be the engineer of your own game!

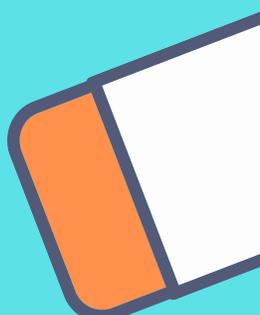

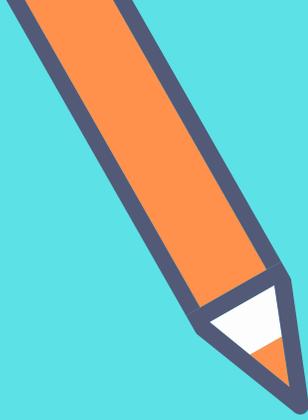

TUMBLING

In tumbling, you will learn different techniques to safely showcase your moves! With a trained staff, our tumbling team will work hard to prepare a routine for an end of year showcase!

ESCAPE ROOM

Do you love solving problems? Then bring your skills to our escape room class and see if you have what it takes to solve the mysteries and escape!

TUESDAY

MOSAIC ART

Do you enjoy expressing your creativity through art? Then come and join us after school and learn about this different art style.

These will be showcased at the end of the year!

ESP NEWSROOM

Are you interested in what newscasters and journalists do in real life? This is your chance to be an ESP journalist and create articles and flyers about what is going on week to week in ESP!

PIANO LESSONS

We are thrilled to offer piano lessons again this semester! Sessions are \$7.50 per session if you split the session with another child. If you would like your child to have their own lesson, you can pay the full \$15.00 per session!

Email sydney.williams@cityschools.net to sign up!

WEDNESDAY

IMOVIE MAKERS

Are you ready to dive into the art of film and create your own movie? Then this is your chance to direct and shoot your own short film! We will have an ESP Oscars Award Event to watch the movies made district-wide, and receive awards.

STEAM

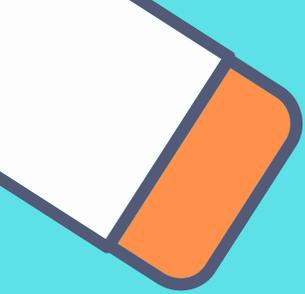

Do you love science, technology, engineering, arts, and math? This is your chance to use your skills through different experiments and tasks.

QUIRKLES

Do you like science experiments? Then, come and meet 26 imaginary scientists who will help you explore and test science concepts after school.

GIRL SCOUTS

Have you ever wanted to be a girl scout? Well here is your chance as you learn the girl scout promise and pledge and work towards earning your very own girl scout badges!

WEDNESDAY

YOGA MASTERS

Calling all yoga fanatics! Here, you can find your zen after a long day of school. You will practice breathing techniques and various poses. Before you know it, you'll be a yoga master!

BASKETBALL

Are you excited to test your basketball skills? Then this is the class for you! Come and improve your basketball skills, test your teamwork, and get ready for our upcoming basketball tournament.

TUTORING

This is a great way to get extra help with homework and sharpen skills currently taught in class from a Scales certified teacher.
\$60 per 9 weeks.

DANCE

Do you love dancing and twirling around to music? This is the perfect class to utilize your dance skills and show off your hard work at the end of the semester with your very own routine.

WEDNESDAY

ESP BAKERY

Learn the art of baking in our ESP Bakery Class. We will develop recipe books and hone our creative chef skills!

SOCCER

We are partnered with Murfreesboro Soccer Club, and we get to spend time with one of their coaches! Come and improve your soccer skills and test your teamwork abilities!

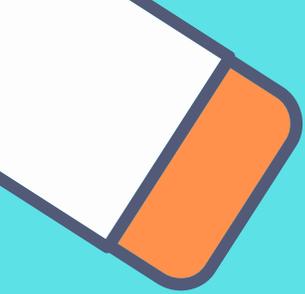

***\$25.00 per semester**

BEAUTY IN ME

We want our students to know, your beauty is not just on the outside, but it is from within that you showcase true beauty! This is a great way to bond with friends and develop inner and outer beauty.

EDIBLE EDUCATION

We will use everyday kitchen equipment mixed with a lot of fun and a passion for eating what is good for us (without being all “organic-y” or health-nuts about food) to introduce students to fresh, home-cooked food. **3rd-6th will be charged \$15.00 for the semester.**
