

BLACK FOX ELEMENTARY

Extended School Program

The Extended School Program (ESP) provides a safe, educationally enriching, fun and rewarding experience for all students of Murfreesboro City Schools. Our students have the opportunity to attend a variety of enrichment classes after school. We offer a wide range of classes including but not limited to sports, music, arts and crafts, dance, cheerleading, cooking, journalism, science, technology, foreign languages, robotics, and many more. We also provide our students with homework assistance and tutoring in specific subjects. We look forward to meeting your family and assisting with your before and after school needs in any way we can.

Questions?
