The Extended School Program (ESP) provides an enriching, exciting, and safe environment for children

Pre-K through 6th grade. While in ESP, students

participate in various activities each day revolving

around STEM (Science, Technology, Engineering, and Math) Arts, Physical Education, and English Language

Arts! Our program keeps the school open from 6 am until 6 pm Monday through Friday and during most

school breaks, offering parents a flexible and reliable option that kids love! Sign up on your parent portal for

Enrichment Classes. We cannot wait to see you!
