

"The Place to Be Before and After School!"

REEVES ROGERS ELEMENTARY ESP

WHAT IS ESP?

The Extended School Program is a year round extension of the school day. ESP offers students the opportunity to become involved in enriching activities and gives parents the convenience of safe school-based care for their child. The Extended School Program is evaluated by the Tennessee State Department of Education Child Care Program Evaluator. Our program is in compliance with the Tennessee State Department of Education's School Age Child Care Program Standards.

WHAT ACTIVITIES ARE AVAILABLE?

ESP offers a variety of enrichment and academic activities for students. Students may choose to participate in enrichments such as science, art and crafts, basketball, soccer, hockey, flag football, cooking, book club, homework help, music, and more. Parents and staff are encouraged to submit ideas or suggestions for classes and activities. Please refer to 2019 Fall Enrichment brochure for specific details.
