

OCTOBER NEWSLETTER

Our Beautiful Babies

A note from our Teachers..

Parents,

We cannot believe October is here! It is going to be a fun filled month with birthdays, dress up days, and learning all about the leaves falling! We had a great time learning about Tubes, Tunnels, and Buildings all around the world. For our older-infant parents, please be on the lookout for our transition letter, as we will begin to start transitioning to the toddler schedule.

We are so excited to celebrate some 1st birthday's this month with our friends. If there are any special items that you would like to do or bring in for your child, please let us know and we will try to accommodate as best as possible.

Thank you! - Ms. Renee, Ms. Christina, Ms. Jeannie

Happening this month..

This month is all about Trees! We will using all parts of the tree to explore, touch and feel!

We are participating with Mitchell-Nelson book parade event! Although we are not in the parade, however we have chosen the book "Brown Bear, Brown Bear" and ask that you sign your child up to dress as one of the animals in the book. The book and sign up sheet will be next to the iPad on the counter in the infant room. If there is any help needed with the costumes, Renee and Christina would be glad to make headbands and hats to correlate with certain animals. Thank you!

Skills we are working on..

Literacy:

- We will be working on using our words and describing things all around us in nature and feeling different textures.

Math/ Science

- We will be exploring different types of textures and materials that belong to trees.

Physical

- We will be seeing all the different things our hands can make and do, by making and creating pieces of art.

Social/ Emotional

- We will find our calm down places and figuring out what we can and not do.

Important Dates to Remember
