

THE JP TIMES

John Pittard Elementary Extended School Program

A Note from Mrs. Lauren Bailey

2019 is already off to a great start! We are having so much fun in our new enrichment classes and we can't wait for all of the fun activities that will take place throughout the semester. Below are a few reminders as we go into this semester:

- Curbside is open DAILY from 6:00a-8:00a & 4:00p-6:00p.
- Parents MUST provide breakfast, lunch & snack on full days (Parent/Teacher Conference Days, Inservice Days, Breaks, etc.)
- Please do not allow your child to bring toys, blankets, stuffed animals, cell phones, slime, electronics, etc. to ESP. This includes ALL half days, full days, breaks, and holidays. ESP is NOT responsible for any items that are stolen, broken, lost, etc.
- When Murfreesboro City Schools are out for inclement weather and ESP is open, John Pittard is the host site for Erma Siegel Elementary and we will be open 7:00a-5:00p. Adjustments could be made to these times dependent on the severity of the weather conditions.
- Tuition is due WEEKLY every MONDAY. If you have not paid your tuition by Monday at 6pm, your account will be suspended and your child will not be able to attend ESP until the tuition is paid.
- We appreciate your flexibility and understanding as we have had a few administration changes in the last few weeks. Thank you for being so supportive during this time of transition.

Please make sure to check your email, the parent board, and curbside flyers for information on upcoming events, reminders, billing notices, etc.

K-6TH STAFF:
