

# DISCOVERY ESP

Monthly Newsletter | September 2020

## IMPORTANT DATES

---

**September 7**  
Labor Day  
ESP CLOSED

## CURBSIDE HOURS

---

**Mornings**  
6:00 - 7:15 a.m.

**Afternoons**  
3:00 - 6:00 p.m.

## A NOTE FROM MS. HACKNEY

- Thank you for all of the donations. We truly appreciate your support!
- Fall break information will be coming soon.
- **MEDICATION:** If your child has medication that has to be left with ESP for any reason, ESP must have a Medication Administration Form filled out by the parent and the physician. ESP will not be able to hold or distribute any medication until the form is completed and turned into ESP.

## IMPORTANT REMINDERS

- Masks are required for staff and students while indoors and when social distancing is not possible.
- Students and staff will social distance whenever feasible.
- Temperature checks will be taken on arrival, during lunch, and dismissal as they are leaving during the school year.
- Students will stay in their grade levels in the AM and PM.
- Supplies will not be shared, and students will be given their own set of basic supplies for the day if available.
- Students may bring their own supplies in a school box to ESP daily. They will keep this in their backpack.
- All students will eat snack in their classroom.

# FALL CLASSES UPDATE

Discovery ESP has been utilizing new techniques to be creative before and after school. Students are exploring a variety of enrichments within their grade levels.

Kindergarten friends have been learning that DNA is made up of strings of nucleotides bonded together. Students have learned that we are made up of trillions of cells and each cell has its own job to do. Students worked on several activities in order to understand the whole DNA concept.

Our older friends have been focusing on STEM, coding, and robotics. Students have been able to create some really unique STEM projects. We introduced the older students to LEGO WeDo robotics this week. Students that have already participated paired as a mentor to others during this time. Our 3rd-6th graders will begin creating tasty meals from Edible Education in the coming weeks. Students have also designed pillows from scratch with duct tape and fabric. We have some friends that mentioned they are sleeping with them at night!

Discovery ESP is very excited about the new school year. Our teachers and students are enjoying the company of others at 6 feet away. Thank you, parents, for all the support through the new process!

# ESP STAFF

Mr. Carson  
Mr. Charlie  
Mr. Xavier  
Miss Emma  
Miss Jaykajah  
Miss Jessica M.  
Miss Emily  
Miss Karlee
